

Borsa İstanbul Finance & Economics Conference (BIFEC 2013)

**BORSA
İSTANBUL**

CALL FOR PAPERS

Borsa İstanbul, Turkey | September 30 - October 1, 2013

“Policy Issues and Challenges in the Global Financial System and Economies”

Borsa İstanbul Finance & Economics Conference (BIFEC) offers an opportunity for exchange of professional as well as academic advancements related to the development of global financial systems and economics. The annual conference will start with an opening speech by Mr. İbrahim M. Turhan, Ph.D. (Borsa İstanbul Chairman & CEO) on September 30th. The conference will include concurrent sessions and panels

after the opening panel by the chairmans of the stock exchanges (Vienna, Sofia, Moscow and Warsaw). The conference will be held at Borsa İstanbul, Turkey. There will be a gala dinner on September 30th 2013.

Presenters are welcome in the following fields of economics and finance: Financial markets and institutions, behavioral finance, financial stability and economic

growth, new financial instruments and derivatives, the interactions between the stock markets, liquidity conditions and monetary policy, international financial centers and their role in economic development and growth, financial crises and economic fluctuations, corporate finance and investments, global financial market linkages, real estate finance and markets, monetary and fiscal policy.

Detailed information can be obtained from www.bifec.com
Deadline for paper submission is June 20th, 2013.
